Simulator Prices 2015

Sankt Augustin, 20th November 2014

Dear Mr. Kittleson,

The prices for the flight hour in the full-flight simulators of the ADAC HEMS Academy have remained stable in the last 2 years.

However, the price spiral turned the ADAC HEMS Academy for energy, personnel and development costs. The continuous investments lead to noticeable improvements in our simulators and services.

For these reasons an adjustment for prices, **from 1 January 2015 on**, is essential.

Prices (all prices quoted net / plus VAT) will be fixed until 31.12.2015.

Simulator Cockpit	Base Price 2013/2014	Base Price 2015	Change
EC145	790,00 €	815,00 €	3,00%

According to the discount level agreed in Master Contract Annex 1, the following prices are for 2015.

Simulator Cockpit	Base Price 2015	Price 2015 according to discount level
EC 145	815,00 €	782,40 €

Simulator Prices 2016

Sankt Augustin, 15th October 2015

Dear Mr. Kittleson,

Our long-lasting cooperation is always very pleasant. We thank you very much for that.

As a reliable partner, we are constantly looking for improvement of our services and training facilities to enhance your success in training. Hence the visual system of the EC145 has significantly improved in recent weeks. Other suggestions for improvement are always welcome.

Unfortunately, these adjustments also bring costs, which force us to adjust our prices. The base price for EC145 therefore increases from 1st January 2016 by 3%.

Prices (all prices quoted net / plus VAT) will be fixed until 31.12.2016.

Simulator Cockpit	Base Price 2015	Base Price 2016	Change
EC145	815,00 €	840,00 €	3,00%

According to the discount level agreed in Master Contract Annex 1, the following price applies to CHC Australia for 2016.

Simulator Cockpit	Base Price 2016	Price 2016 according to discount level
EC 145	840,00 €	806,40 €

We thank you for your understanding and hope to continue to reckon you among our satisfied customers.

Best regards,

Anja Bender, ppa.
