## **STATUS REPORT FOR DECEMBER 17, 2013 STATUS CONFERENCE**

Brian A. Bash, Trustee herein, submits the following summary of the status of the Trustee's administration of the estate:<sup>1</sup>

## **Recent Recoveries For the Estate**

Since the last status conference on November 19, 2013, the Trustee has recovered an additional \$66,807.10 for the estate. This amount includes \$23,538.35 from Duvera Billing Services. As of December 12, 2013, the balance in the money market account maintained by the Trustee for the benefit of the Debtor's estate is \$6,555,881.00.

## **The Trustee's Collection Efforts on Judgments**

### **1. Creditor's Bill Actions.**

The Trustee filed a Creditor's Bill Action to attach the interests of Timothy Durham and James Cochran in an insurance policy with National Union. On August 5, 2013, National Union filed a *Complaint* seeking to interplead the insurance proceeds with this Court. National Union ultimately interpled \$989,344.25 and was dismissed from the litigation. Cochran and Durham have moved to consolidate the Creditor's Bill Action, the Interpleader Action, and the *McKibben* lawsuit, which this Court has taken under advisement. In addition, Laikin has filed a Motion for Judgment on the Pleadings in the Interpleader action, which this Court has also taken under advisement.

<sup>1</sup> The Trustee and his professionals have addressed and resolved many of the administrative issues in this matter. This list is not exhaustive, but focuses on the issues most significant to ass

**2. Default Judgments.**

The total amount of default judgments obtained by the Trustee and approved by the District Court is \$340,083,241.47, inclusive of \$286,421,487.42 in Group A default judgments and \$53,661.754.05 in Group B default judgments. A spreadsheet identifying the adversary proceeding number, judgment debtor(s), default judgment date, amount and summary of collection strategy for each judgment is attached as **Exhibit A** to this status update. The Trustee's collections efforts include the following:

**Durham Judgment Domestication.** On November 19, 2013, the Trustee domesticated in California the final judgment obtained in the adversary proceeding against Timothy Durham (Northern District of Ohio, Case Number 5:12-cv-00991) in the amount of \$134,837,533.14.

**Texas Real Estate.** The Trustee has obtained photographs and comparable sales data on a condominium owned by Timothy Durham in Texas. The condominium is subject to an alleged tax lien, and the Trustee is evaluating his options for maximizing the value of the real estate.

**Assets In Georgia.** The Trustee's counsel in Georgia is preparing to initiate proceedings to collect upon the obligations of Cedric Rashad to the Trustee.

**Asset Searches.** The Trustee has concluded primary asset searches for several debtors of the estate, including Durham and Cochran. The Trustee will conduct additional asset searches as the facts warrant. The Trustee has obtained possession of 10,892,646 shares of stock owned by Durham and/or other judgment debtors and is in the process of valuing those shares and evaluating his strategic options.

**Account Debtors.** The Trustee continues to investigate account debtors of the judgment defendants, and is evaluating the value of further collections actions.

## **Status of Litigation**

**Fortress:** On November 12, 2013, Fortress and the Trustee filed Cross-Motions for Summary Judgment and exchanged rebuttal expert reports. Briefs opposing summary judgment are due on December 23, 2013, and replies in support of summary judgment are due on January 23, 2014.

**Laikin:** On November 21, 2013, counsel for Daniel Laikin filed objections to this Court's *Report and Recommendation After Trial* that judgment be entered in favor of the Trustee, and against Daniel Laikin, in the amount of \$32,958,018 as of September 15, 2013, plus interest at the rate of 10.5% from that date. The Trustee's response to Daniel Laikin's objections is due on December 23, 2013.

**Group A:** The chart attached as **Exhibit B** includes a list of all pending litigation as of November 13, 2013, including those cases that have been settled or otherwise resolved by the Trustee, with information on the corresponding settlement amount or resolution. Other than the litigation against Fortress, the remaining active and pending Group A cases include the following:

1. Litigation against the former legal advisor for Fair Finance, Ronald Kaffen (approximately \$180,000);
2. Litigation against John Head, a former officer of the Debtor (approximately \$2.5 million in claims); and

**Group B:** The one hundred and twenty-seven (127) cases in the "Group B" category of cases include claims based on non-debtor transfers, loans or preferential transfers for which actions were filed after November 2011. Three of these cases remain active, and an additional six have been stayed, generally because of the defendant's bankruptcy. The remaining cases have been resolved. The Trustee is pursuing settlement of the remaining Group B cases and will continue to prepare those matters for trial, if necessary.

**Other Litigation:**

1. **National Lampoon (approximately \$9 million).** This case, filed in the United States District Court for the Central District of California, Western Division, is currently in discovery. The Trustee deposed Daniel and Jackie Laikin the week of December 9, 2013.
2. **The McKibben litigation against insiders of the Debtor and entities they controlled.** As previously described, Durham and Cochran filed a motion to consolidate this case with the Interpleader Action and the Creditor's Bill Action. The deadline for Motions for Summary Judgment has been extended through January 6, 2014 to facilitate settlement discussions.

**Recent Court Orders**

**Orders Approving Compromises:** On November 15, 2013, this Court entered an order granting the Trustee's motion to compromise with Complete Discovery Source, Inc. ("CDS"). On December 2, 2013, this Court entered orders granting the Trustee's motions to compromise with Joan SerVaas, Bernard Durham, and Stephen Blaising.

**Assignment of Filed Claims:** On November 19, 2013, this Court entered an order granting in part and denying in part *Trustee's Motion for an Order Amending the Procedures for the Assignment of Filed Claims*. Specifically, this Court granted the portion of the motion seeking (a) an amendment to the claims trading procedures and (b) the use of an "Assignment Form," but denied the portion of the motion seeking waiver of the Claims Transfer Fee for each Filed Claim Transfer.

**New Motions**

**Motion to Compromise with Wayne Bank:** On November 26, 2013, the Trustee filed a *Motion of Trustee To Approve Compromise With Wayne Bank and Trust Co. And For Modification of the Automatic Stay* (Dkt. No. 1377). The motion would provide for the settlement and release of certain claims between the Trustee and Wayne Bank and provides a mechanism for the Trustee and Wayne Bank to cooperatively maximize the value of real estate to which both parties claim a lien.

**New Conference Call Number**

Effective December 1, 2013, BakerHostetler changed conference call providers. The conference call number for upcoming status conferences shall be (866) 468-2930 (Passcode 216-861-7834).

**Trustee's Focus in the Upcoming Weeks**

**Continuing Litigation:** The Trustee's counsel will continue to focus efforts on the litigation of the cases that have been filed by the Trustee to date.

Date: December 16, 2013
