School Specialty, Inc.	13-10125 (KJC)	112,526,984
Total Disbursements		<u>\$ 112,526,984</u>

Notes:

- 1 Disbursement amounts include all payments clearing the bank during the period. Intercompany transfers are not included.
- 2 Debtor entity does not have disbursements to report during the period.
- 3 Disbursements for Debtors were estimated based on changes within the corresponding intercompany accounts. This method was utilized in order estimate payments made by the parent entity, School Specialty, Inc., on behalf of other subsidiary debtors. The consolidated entity utilizes a centralized treasury function in which disbursements are paid from a School Specialty, Inc.-owned bank account. The activity in the transactional intercompany accounts is a proxy for cash flow for the non-parent debtors. See Cash Management motion for further details on the Debtors treasury and cash management functions.
